

Creating housing opportunities for persons with developmental disabilities

When you join, your organization/name will be added to the **Housing Now** website www.HousingNowResource.org, you'll be kept updated on our housing successes, issues surrounding housing for people with developmental disabilities, and events throughout the year. You will be the first to receive information when Housing Authority Programs open. Please take time to fill-in and return the attached membership form with your payment. Adequate funding is vital to the continued mission and strength of **Housing Now**.
